

2023 ANNUAL REPORT (UNAUDITED)

We are funded by America's landowners and those who treasure our unique American way of life. Our work is carried out with a small staff of three employees supported by key consultants. This allows our operations to run efficiently with minimal overhead. Our funding goes directly to fulfilling our mission educating Americans, advocating for property rights, and helping the rural communities protect their way of life.

Our total revenue for 2023 was \$1,072,564.02. Our total expenses were \$1,007,032.63.
