

Rolling Back the 30x30 and Natural Assets

On day one of President Trump's administration, he rescinded the Biden Executive Orders that initiated the 30x30 and Natural Asset agendas. This was a great start to restoring property rights in America.

While the policies have been rescinded, the programs entrenched by the Biden administration must now be dug out and stopped. Some will require Congress's action and others will require Presidential or Departmental Orders.

Here are 20 key provisions that must be rolled back to protect American's property rights :

1. REVOKE BIDEN'S 30X30 LAND GRAB POLICY

Day 1

Rescind Section 216 of Executive Order 14008 entitled Tackling the Climate Crisis at Home and Abroad (86 Fed. Reg. 7,619) directing federal agencies to "conserve at least 30 percent of America's land and oceans by 2030."

Day 1

Remove the "American the Beautiful" (a.k.a 30x30) agenda from all federal websites.

2. Rescind Funds Implementing 30x30 Programs

Day 1

Stop unspent Inflation Reduction Act funds for the climate smart conservation programs at USDA.

End \$1 Billion Commitment to the National Fish and Wildlife Foundation to implement the 30x30 agenda in America.

3.**REQUIRE CONGRESSIONAL APPROVAL
TO PERMANENTLY PROTECT LANDS**

Rescind Biden's Conservation Rule locking up the BLM managed lands

Prohibit funds for administrative designations of special purpose lands without congressional approval. These include for National Monuments, conservation leases on federal lands, and Land Acquisition Plans on National Wildlife Refuges.

Prohibit future National Monument designations without Congressional approval.

4.**RELEASE WILDERNESS STUDY AREAS**

Require administrative agencies to release all Wilderness Study Areas designations on federal lands unless the area has been specifically protected by Congress.

5.**INCREASE TIMBER PRODUCTION ON NATIONAL FOREST LANDS
IN PROGRESS**

Restore active management of our forests, increase timber production, and reduce wildfires.

20 % Complete**0 %****20 %****100 %****6****Amend or Defund the Endangered Species Act**

Ensure only species that need federal protection to survive are added to the list.

Limit critical habitat designations on private land and require Congressional consent for designations over 50,000 acres.

Limit actions that trigger agency consultations that slow down and stop productive use of the land.

7.**UNLOCK AMERICA'S CRITICAL MINERAL & ENERGY RESERVES
IN PROGRESS:**

Rescind the Department of the Interior Mineral Withdrawal Secretarial Orders, such as ANWR, offshore leasing, and Boundary Waters.

20 % Complete**0 %****20 %****100 %****8.****RESTORE LOCAL CONTROL COORDINATION**

Require all federal land management agencies to coordinate federal resource plans and policies with states and local governments as prescribed in the "Federal Land Policy and Management Act" at section 202 (43 U.S.C. § 1712(c)(9)).

9.**REDUCE CONSERVATION PROGRAM FUNDING**

Reduce the acreage enrolled in a conservation program to no more than 10 percent of a county; and

Limit participants to only one conservation program at a time.

10.**STOP NATURAL CAPITAL ACCOUNTS****Day 1**

Remove the "White House Strategy for Environmental-Economic Decisions" (SEED), which would have created a new line item on the federal balance sheet for natural assets.

11.**STOP RULES AUTHORIZING FEDERAL OWNERSHIP OF NATURAL ASSETS****Day 1**

Rescind Executive Order 14072 that directs the Office of Management and Budget to issue rules for federal agencies to monetizing natural assets.

12.

PURGE BIDEN'S ATTEMPT TO LIST PRIVATE PROPERTY AS A FEDERAL ASSET

Day 1

End the pilot test accounts, including the “land pilot test account,” where the Biden Administration was preparing to add private property to the federal balance sheet as a U.S. Asset.

13.

PERMANENTLY STOP NATURAL ASSET COMPANIES

Pass the “Protect the American Lands Act,” that amends the Securities Exchange Act of 1934 to prohibit exchanges from effecting transactions in securities issued by natural-asset companies or similar vehicles.

- Step 1.** House Bill Filed
- Step 2.** Passes House Committee
- Step 3.** Passes House Floor
- Step 4.** Senate Bill Filed
- Step 5.** Passes Senate Committee
- Step 6.** Passes Senate Floor
- Step 7.** Signed by President

14.

PROHIBIT FEDERAL AGENCIES FROM USING UNITED NATION'S NATURE ACCOUNTING SYSTEM

Prohibit all federal agencies from using the United Nations' System of Environmental Economic Accounting (UN-SEEA) to establish the value of ecosystems and environmental services.

15.

STOP THE MONETIZATION OF ENVIRONMENTAL SERVICES

Rescind the USDA Sustainability Targets in Agriculture to Incentivize Natural Solutions (SUSTAINS) Act of 2021. This allows the federal government to both monetize natural processes, and determine who owns those processes on private lands without the landowners consent.

- Step 1.** House Bill Filed
- Step 2.** Passes House Committee
- Step 3.** Passes House Floor
- Step 4.** Senate Bill Filed
- Step 5.** Passes Senate Committee
- Step 6.** Passes Senate Floor
- Step 7.** Signed by President

16.

ISSUE RULES FOR THE SUSTAINS ACT THAT PROTECT LANDOWNERS

- ☐ Notice to landowners that discloses enrollment in the program will allow an outside entity or the federal government to own and profit from the “ecosystem services” on their property;
- ☐ Landowner must consent to an outside entity or the federal government owning “ecosystem services” on their land; and
- ☐ The program cannot be applied retroactively on private lands already enrolled in the climate smart conservation programs.

17.

END FUNDING FOR NEW FEDERAL LAND ACQUISITIONS

- ☐ Prohibit funds for programs used to purchase private property from increasing federal ownership of lands, unless the acquisition facilitates a land swap resulting in no net gain of federal lands.

ROLLBACK THE NATURAL ASSETS SCAM

18. REDUCE FEDERAL LAND INVENTORY

- ☐ Identify federal lands that would be better purposed if returned to the private sector, excluding those protected by Congress such as national parks and wildlife refuges.

19. SUNSET AND PHASE OUT CONSERVATION EASEMENTS

- ☐ Sunset conservation easements to 15 years or less
- ☐ End new federal enrollments
- ☐ Develop a phase-out program for existing federally held and funded easements to be extinguished after 30 years
- ☐ Tax Land Trusts for the value of the conservation easements they hold in perpetuity.

20. REDUCE REGULATORY EXPENSE ON PRIVATE LANDS

- ☐ Exempt private lands from federal land use regulations if there are no federal funds, programs, or approvals attached to the land.
